

Misioneros Del Camino, Inc.

A NON-PROFIT ORGANIZATION

Dear Friend and Brother in Christ:

I'm writing to you as always with love and gratitude, wishing that you and your loved ones are well. During these uncertain times it is important that we unite in prayer and ask the Holy Spirit to give us faith, joy, strength and the wisdom we all need.

The pictures you see are of Luis Miguel, the latest child you helped save. He arrived at 6 months of age weighing only 8 pounds, malnourished with a heart condition, shortness of breath and a purplish color due to the condition. He came to us from a public hospital in the rural area where he was only given 3 ½ ounces of milk every four hours. Just enough to keep him alive. Imagine the situation in the hospitals- They have nothing.

After just 3 weeks at the home with love and care a miracle occurred. Without medications his heart condition went away his color returned to normal and he now breaths with ease.

During the past year we have been struggling to make ends meet and continue saving children. On Thursday March 3rd and Friday March 4th we will be holding our annual radio marathon at RADIO MAMBI. This year will be exceptionally difficult to raise the funds we need. Radio Peace will not be supporting us this year due to changes in there management. We can only trust in God and the Misioneros Del Camino family (people just like you) that we will not be abandoned. Please talk to your friends and family, ask them to help us save lives and make a difference. Tell them that at 75 years of age and after 25 years of helping children, I continue with the strength and faith the Lord gives me, confident there are more good people than bad.

Please help us save a child. Call 305-265-0641 or donate on line www.MISIONEROSDELCAMINO.ORG

May the Lord bless you,

Leonor Portela
